CAREER OBJECTIVE

A motivated Computer Science undergraduate with expertise in MERN stack development, React Native app development, and strong programming skills in C++, JavaScript, Python, and Data Structures & Algorithms (DSA). Seeking a challenging internship/placement to contribute to impactful projects by designing and developing efficient, user-focused applications, while honing my technical, problem-solving, and collaborative skills.

EDUCATION BACKGROUND

Bachelors in Computer Science Engineering | Chandigarh University,
Gharuan. Session: 2022-2026 | CGPA: 6.5

Intermediate (HBSC) | RAM GOPAL SR. SEC. School, Bhiwani.
Session: 2021-2022 | Percentage: 80%

TECHNICAL SKILLS

Language : C/C++, HTML, CSS, Java Script, Python

Frame works and Libraries : React, React native, Node.js, Express

Developer tools : Git, VS Code, Collab

Databases : Firebase, MongoDB

PROJECTS AND TRAINING

MERN Stack Projects:

- Developed a full-stack music web application using the MERN stack. **Oct 2024 - Dec 2024**
Implemented responsive design and user-friendly features, music streaming .
- Collaborated as a frontend developer in building a platform to help users **June 2024 - Aug 2024**
find teammates for projects, focusing on intuitive user interfaces and responsive design.
- Developed a language translator app using APIs, focusing on real-time language processing

Research Paper: Effect of Climate Change on Biodiversity in Coastal Ecosystems

Conducted in-depth research to analyze the impact of climate change on biodiversity in coastal regions, highlighting the relationship between environmental changes and species adaptation.

Summer Training: NLP and Web Scrapping

Gained practical experience in data extraction, analysis, and text processing using Web Scrapping and Natural Language Processing techniques.

INTEREST: • Gaming • Trading
• Learning new techs • Animate 3D videos, Video Editing

CERTIFICATIONS

- NLP and Web Scrapping.
- Cloud Computing – NPTEL
- Introduction to Database management system
- Meta Back-End Developer Professional Certificate

INTERPERSONAL SKILLS

- Teamwork
- Communication
- Time management
- Emotional Intelligence
